The Michigan Dahlia Association, a member of the American Dahlia Society, was formed in 1935 to promote the growing of dahlias. Our friendly and helpful members hold monthly meetings, dahlia seminars, spring tuber and plant sales and an annual fall dahlia show.

Membership is open to everyone and the annual dues are \$10.00 per family. Membership includes bi-monthly newsletters which contain informative articles, advice on growing and showing dahlias and information on club activities.

Membership in the Michigan Dahlia Association also entitles you to reduced dues in the American Dahlia Society, which includes a subscription to their quarterly magazine, The Bulletin, and annual handbook, Classification of Dahlias, invaluable when growing and showing dahlias.

Whether your ambitions or your garden are large or small, if dahlias are given a little care and attention, the results you achieve might amaze your friends, neighbors and perhaps even yourself. The Michigan Dahlia Association invites you to come, "Grow with us."
